## Intro

## Verse 1

Am D  
It's like we've been together for a million  
years  
Am D  
And I guess we'll be together for a million  
more  
Am Bm  
But in all that time I've never smiled or shed  
a tear  
Am D  
And I never let my feelings out for show

## Chorus 1

C F  
She said I never write her a song  
C F  
She's right and I'm always wrong

## Verse 2

Am D  
Now I've got a yearning stirring deep inside  
Am D  
Or is it just because she asked out loud?  
Am Bm  
Will I take pen to paper, and write it right?  
Am D  
Or choke up and admit, it's all a fraud.

## Chorus 2

C F  
She said I never write her a song  
C F  
I could do it, but it might take too long  
C Dm  
She said I never write her a song

## Bridge

A E/G#  
Maybe all she wanted was a love song  
G D/F#  
All mushy lovey dovey and googley eyed  
A E/G#  
But somehow I know she'll get it  
G D  
The kinda love that comes from her clever  
guy
