

Thank you, Love

Janice Ho
v1 14 Feb 2016

(2nd fret)

I struggled for years
Trying to write you a love song
'Cause words could never
Explain how I felt
So I put down my pen
Gave up on the letter
Thought you knew anyway
What you meant
But now we aren't together
And it's not enough to hope
That you know
Thank you for loving me
Thank you for helping me
Love myself
Thank you for seeing me
Through my insecurities
That's all I could ever ask - ooh
Thank you, Love oh

Verse 2

You've got a heart of gold
Yours is the purest soul
No one could learn to be
That beautiful

But you reminded me
I'm a reflection
Of what I see
In your light's glow
But now we aren't together
And it's not enough to hope
That you know
Thank you for loving me
Thank you for helping me
Love myself
Thank you for seeing me
Through my insecurities
That's all I could ever ask
That's all I could ever ask
So, thank you, Love - ooh
Sometimes I don't know
How I'm standing here without you, without
you
But then I hear you, reminding me
Thank you, thank you
Love
