

# Not Nuff Night

(Crosbie, Roberts, Roth Fall 2015)

G/ 88bpm

## VERSE

I wanna to roll with you honey  
Life's taken it's toll now honey ... *I feel low*  
If you talk I'll listen  
I wanna see your lips glisten' ... *talk slow*  
But I need you to understand  
This thing is out my hand

## CHORUS

Hey ... I want to love you baby                    (*all night long*)

## VERSE

You just look so right  
Come on and walk into the light ... *that's it*  
You've got a secret for sharing  
I like that dress you're almost wearin' ... *nice fit*  
But I need you to understand  
This thing is out my hands ...

## CHORUS

## SHORT SOLO

## BRIDGE

Well, there's not enuff night  
Haa, haa, haa...

## VERSE

If we could just set a date  
I promise I won't be late .... *On the dot*  
Then we can take our time  
Connecting our bodies and minds ... *Oh! That's the spot.*  
But I need you to understand  
This thing is out my hands ...

**Repeat Chorus**

**Repeat Short Solo**

**Repeat Bridge**

**... broke down ending**

**... repeat the intro with abrupt stop.**
