

Multi-Media World  
The Parkdale Hookers ©2013

I hit a bar, then I hit the head  
The bathroom walls got adverts for club med

I read the papers, and I want to die  
Cause pompous media experts spew their lies

I watch my TV, it makes me sick  
Tune in human miseries for kicks

THIS IS A MULTI-MEDIA WORLD  
THIS IS A MULTI-MEDIA WORLD  
WE'VE GOT AIDS ON THE TVS  
AND WARS IN MCCLAIN'S  
WE GOT MISSING KIDS ON THE MILK-BOX  
YOU KNOW WHAT THIS WORLDS COME TO BE

Kill the computer, or we'll all be dead  
Drop a logic bomb inside my head  
Rain is poison, Sex is death  
Sunshine is now toxic hold your breath

THIS IS A MULTI-MEDIA WORLD  
THIS IS A MULTI-MEDIA WORLD  
WE'VE GOT AIDS ON THE TVS  
AND WARS IN MCCLAIN'S  
WE GOT PINK-SLIME IN THE MEAT SAUCE  
YOU KNOW WHAT THIS WORLDS COME TO BE

*They say I'm free  
Give me a break  
What little that I have left is theirs to take*

*Catatonic zombies  
Staring at a tube  
They get to watch the reality shows  
Between orders to consume*
