

Forget by Sherry Jacoby

I fear to let you in with open arms like a fool again  
I fear to let you in with a smile, without a plan  
But I'm tired of thinking about tomorrows and yesterdays  
I'm tired of drawing maps cause I'll never know the way

Forget the rules, forget the fear  
I'm yours to lose, you're mine to win

Cause I'm tired of resisting this desire  
Won't you take me in your arms  
And tell me that we can stop time  
For all the nights to come  
Forever is right now  
There's no time to think it over  
Forget about the end  
Forget about it  
Forget

Got this switch flipped in my head now, and the world's in colour  
I finally don't want to run away to tomorrow  
Let's drown in the chaos, don't try to swim  
It's time to rearrange the floor on the ceiling

Forget the months, forget the years  
You're mine to lose, I'm yours to win

Cause I'm tired of resisting this desire  
Won't you take me in your arms  
And tell me that we can stop time  
For all the nights to come  
Forever is right now  
There's no time to think it over  
Forget about the end  
Forget about it  
Forget

Cause I'm tired of resisting this desire  
Yeah I'm tired of resisting this desire  
(Won't you take me in your arms)  
Yeah I'm tired of resisting this desire  
(For all the nights to come)

Cause I'm tired of resisting this desire  
Won't you take me in your arms  
And tell me that we can stop time  
For all the nights to come  
Forever is right now  
There's no time to think it over  
Forget about
