

Go (Don't Go)

Verse I There are no words left worth saying when the tears run dry
There's just a song that I'm playing about the years gone by
We fumbled forward blindly 'til we felt safe and secure
I still want you beside me, you say you can't be sure

Chorus

Go where you're needed There's no need to be alone
I'm still undefeated Cause I'm looking for is home
I'm coming home, I'm coming home

Verse II There are no lies worth believing You'll do what you will
Look in my eyes, say you won't be leaving Say you love me still
Once love has left you blinded You'll never be the same
You'll always be reminded By the sound of her name

Chorus

Go where you're needed There's no need to be alone
I'm still undefeated Cause all I'm looking for is home
Go where you're needed There's no need to be alone
I'm still undefeated All I'm looking for is home
All I'm looking for is home
All I'm looking for is home
Don't Go
