

## My Joy

©LindaLavender, 2018

Talkin' with my boyfriend, took a little walk downtown  
He said, "We ain't getting any younger  
How about you and me  
Try to settle down

Chorus:

I looked him right, in the eye  
Said baby, don't you cry: I've already found my joy  
Had my pick, you're the best; but none of you could stand the test  
Of my favorite toy  
Smooth as silk, hand held, naturally curved  
5 speed, 7 pattern, power in reserve...

He dropped me off at my door, give me a kiss goodnight  
I said I don't remember when, I've had a nicer time  
Pardon me if I don't invite you in  
You don't want to come between me  
And my best friend

Chorus, Instrumental over verse

Now, you know just what I like  
No, it ain't waking up by your side  
Waterproof, USB charged,  
You can stop hangin' 'round my back yard  
I'm in love, I'm in love, I'm in love  
Understand me boy  
I'm in love, I'm in love, I'm in love  
That crazy toy

Last chorus:

Looked him right in the eye  
Said baby, don't you cry; already found my joy  
Had my pick, you're the best; but none of you could stand the test  
Of my favorite toy  
Smooth as silk, hand held, naturally curved  
5 speed, 7 setting; do the math; that's 35 that I would not be getting  
I'm in love, I'm in love, I'm in love  
Understand me boy  
I'm in love, I'm in love, I'm in love  
I've found my joy
