

# Pull Me Away From You

And here I stand  
with nothing more to give  
that won't stop you taken

You seemed to think  
You've got the most to lose  
I think you're mistaken

JUST HEAR ME NOW  
THAT NOTHING'S GOING TO CHANGE  
TO PULL ME AWAY FROM YOU  
NOT THE REST  
NO EMPTY DEATH  
WILL PULL ME AWAY FROM YOU

And all in all  
it seems you're not too chuffed  
With what I bring to the table

You only seem to want  
only the things you want  
That's not what I'm able

JUST HEAR ME NOW  
THAT NOTHING'S GOING TO CHANGE  
TO PULL ME AWAY FROM YOU  
NOT THE REST  
NO EMPTY DEATH  
WILL PULL ME AWAY FROM YOU

*and too late now  
I've got you dead to rights  
for all you said to me  
'cause I'm not one  
who'd rather switch than fight  
and hear me while I tell you again  
it's all this and all of the more  
It's all too much  
but it keeps me coming back for more*

And in the end  
You get so hard to take  
With all these games that you're playing

I only wish that you  
would stop your calls to war  
and hear what I'm saying

JUST HEAR ME NOW  
THAT NOTHING'S GOING TO CHANGE  
TO PULL ME AWAY FROM YOU  
NO MOUNTAIN WIDE  
OR NOT OCEAN WIDE  
COULD PULL ME AWAY FROM YOU  
THE TOUGHEST TEST  
NOR MY DYING BREATH  
WOULD PULL ME WAY FROM YOU  
NOT THE REST  
NO EMPTY DEATH  
WILL PULL ME AWAY FROM YOU
