

## Christmas Is

Christmas is a magic time when families and friends gather in comfort and joy with warm tidings of peace on earth  
And gorge themselves on free range anabolic poultry stuffed garland eggnog wreath and watch the yule log smouldering

Christmas is a tiny piece of undigested potato, homeless hunger, slippery walks and cheerful chiming clocks, pine boughs and presents given, paper and ribbon, insomniac silver trees, candy cane stocking hung like a horse

Irish cease fires and heavenly choirs of heavenly helpers, Polaroid mall Santa's and green gift boxed boxers, injection molded plastic toys, bought with plastic money, greeting cards and stale religious hymns

Migraine Musak, carol bells and carol chimes, prime time Grinch, and aerosol frost  
Oh, that aerosol frost

Christmas is a special time  
Christmas is a low crime time  
Christmas is a special kind of day  
I said Christmas is a happy time  
For some of you it's a crappy time  
But Christmas, it's coming your way

Christmas is a tragic time of solitude and heartburn loneliness, Ebenezer nightmares, and Salvation Army smiles, Sleigh bells, and herald angels harking, Burl Ives barking, bright lit silver trees and land mine mistletoe

Spot checks on closed down streets of nutmeg wet snow, wide eyes, rosy cheeks and runny noses, late morning pyjama punch drunk twinkling stars, mincemeat tarts and  
Oh that aerosol frost

Christmas is a special time  
Christmas is a low crime time  
Christmas is a special kind of day  
I said Christmas is a happy time  
For some of you it's a crappy time  
But Christmas, it's coming your way

Upside clown parades, early champagne cocktails, empty plastic sherry bottles,  
frankincense and myrrh, dreary walks to early boxing day sales past desolate wind  
chill soup kitchen lineups, and wondrous windup window displays

Christmas is a special time  
Christmas is a bum a dime time  
Christmas is a special kind of day  
I said Christmas is a happy time  
For some of you it's a crappy time  
But Christmas, it's coming anyway

On the first day of Christmas my true love gave to me a tree  
On the second day of Christmas my true love gave to me two trees!!!
