

# Out Of The Cold

Lyrics by S.Westerman, Music by S.Westerman ©2020 ScottWesterman

I walk down this road of life  
and find myself asking why  
I see people on the street  
not knowing who I'll meet

I've looked so hard I can't see  
of what lie's in front of me  
no idea of which way to turn  
there's things that I need to learn

*I know there's somebody out there for me  
to lift me up when I'm down*

THEY SAY THAT THE DOOR IS OPEN NOW  
YOU KNOW THAT IT'S FIRMLY CLOSED  
THERE'S NO ONE TO HELP ME NOW  
I'M COMING OUT OF THE COLD

This road leads me to your door  
where i've never been before  
I'm too scared to go inside  
your love cannot be denied

*I know there's somebody out there for me  
to lift me up when I'm down*

THEY SAY THAT THE DOOR IS OPEN NOW  
YOU KNOW THAT IT'S FIRMLY CLOSED  
THERE'S NO ONE TO HELP ME NOW  
I'M COMING OUT OF THE COLD

OUT OF THE COLD
