

How can you stay
When you know that
All that you see
Is a lie

And what would it take
To persuade you
The cost to your soul to decide

And it's been too long
since you found out
All that they said
in your place

You can be sure
in the mean time
they'll never win fair at your race

STILL YOU GOT YOUR MONEY
YOU WON'T GIVE THEM ANY
YOU WON'T END WITH MUCH

and will you accept
all the theories
from all of those kept
to comply

and will you be free
to be left back
with all of your doubts
to deny

then you might see
that you been there
then you will know
what will be

you can be sure
that the loudest
will leave you to drown
in your sea

STILL YOU GOT YOUR MONEY
YOU WON'T GIVE THEM ANY
YOU WON'T END WITH MUCH

STILL YOU GOT YOUR MONEY
YOU WON'T GIVE THEM ANY
ALL YOUR EMPTY PENNIES
TRY AND SAVE YOURSELF BUT

STILL YOU GOT YOUR MONEY
YOU'LL NEVER GIVE THEM ANY
YOU WON'T END UP WITH MUCH
