

ACTING ALONE

Music and Lyrics by Anna Larson, Shoulder to the Wheel ASCAP © 2018

In a place, just like the place that we all live in.

And on a day, it was so ordinary.

A line was drawn, now it's before and after.

And there's a list of names they'll read on the radio, read on the radio.

Oh, what a shame there was no way to see it was coming.

Guess there's nothing to do but to bow my head the day after-

After all, he was acting alone.

There's a face we use when we need to look in the mirror.

And there's a voice we use when we need to tell lies.

And a hand to hold when we're swallowed by darkness.

But where's the light ahead cause we've lost our way, we've lost our way.

Oh what a shame there was no way to stop this from happening.

Guess there's nothing to do but to try to stay out of harm's way.

I know it's not my fault, never laid my hand on that trigger.

After all he was acting alone. (3x)
