Lyrics:
It's too late for I'm sorry
You're packing up the dishes like you're moving to L.A.
And I'll think of you always
But in this room with you, well, there's nothing left

Oh hold me like the very first time
'Cause we both know that it could be
We both know that it could be the

Hold me like the very first time
'Cause we both know that it could be the last
Oh hold me like the very first time
'Cause we both know that it could be
We both know that it could be the
