

**Angeline**

Sean Bertram

**Verse 1:**

Angeline, do you miss me like I miss you?  
Are you losing sleep,  
And losing faith that we'll ever make it through?

**CHORUS**

Angeline, Angeline  
Oh Angeline

**Verse 2:**

Angeline, we don't talk like we used to  
We just stare at our screens,  
At miniature versions of each other, wondering what to do

**CHORUS**

Angeline, Angeline  
Oh Angeline

**Bridge:**

When you were leaving, I said it'd be easy  
Why did you believe me? Why did you believe me?  
When you were leaving, I said this would be easy  
Why did you believe me?  
Why did you believe me, believe me, believe me?

**Verse 3:**

Angeline, won't you please say, "I love you"  
Because the farther apart, the fonder my heart  
And the less I'm sure it's true

**CHORUS**

Angeline, Angeline  
Oh Angeline, Angeline
