

## **Can't Stop me Now - Amanda Keeles**

**This 9 to 5 shift ain't doin it for me**

**I'm working late to make deadlines that I will never meet**

**So I'm packin' it up and packin' it in**

**Going to places I've never been**

**No one can hold me down or tell me that I can't**

**You can't stop me now I've got music in my blood**

**I've got a bucket list a mile long and it's filling up my cup**

**You can't stop me now I'm kicking up dust in my review**

**I've got a song to sing Places to see. And I'm doin it all  
with you**

**You can't stop me now You can't stop me now**

**I put your dreams aside. high upon a shelf**

**Took them down And dust them off and do it for myself**

**You can't Stop Me Now I've got music in my blood**

**I've got a bucket list a mile long and it's filling up my cup**

**You can't stop me now I'm kicking up dust in my review**

**I've got a song to sing   Places to see   And I'm doin it all  
with you**

**You can't stop me now   You can't stop me now**

**Music** 

**You can't stop me now   I've got music in my blood**

**I've got a bucket list a mile long and it's filling up my cup**

**You can't stop me now   I'm kicking up dust in my review**

**I've got a song to sing   Places to see   And I'm doin it all  
with you.**

**You can't stop me now.   You can't stop me now.**
