VERSE 1

Morning sun, Mountain tops
Rain showers, thunder clouds
A journey that's mapped out and meant to be

Never know the ins and outs
Twists and turns, the Ups and downs
Of my beautiful destiny
Whoa - my destiny

CHORUS

I wanna flow
Down the mountainside
Like tears that god cried
I wanna go
Way up in the sky
Among the clouds I would lie
My afterglow
My afterglow

VERSE 2

Poison rain, toxic lakes
Belly up in waterways
I poured into the malice that you made

But I'll stand up tall, rejuvenate
Filter out all that hate
Keep the course into my destiny
Whoah my destiny

CHORUS

I wanna flow
Down the mountainside
Like tears that god cried
I wanna go
Way up in the sky
Among the clouds I would lie
My afterglow
My afterglow

BRIDGE

They say that to feel the warmth of sunrise
You need to feel a little cold
I knew that wasn't cool what you did to me
But I will forgive you evermore

OUTTRO

I wanna flow
I wanna flow
