©2025 by Mike Rudquist and Neel Modi

VERSE 1

A | F#m | C#m | D
A | F#m | B //

Morning sun, Mountain tops
Rain showers, thunder clouds
A journey that's mapped out and meant to be

I never know the ins and outs
Twists and turns, the ups and downs
Of my beautiful destiny
Whoa - my destiny

CHORUS

E // C#m // Amaj7 | A

I wanna flow
Down the mountainside
Like tears that God cried
I wanna go
Way up in the sky
Among the clouds I would lie
My afterglow

VERSE 2

A | F#m | C#m | D
A | F#m | B //

Poison rain, toxic lakes
Belly up in waterways
I poured into the malice that you made

But I'll stand up tall, rejuvenate
Filter out all that hate
Keep the course into my destiny
Whoa my destiny

CHORUS

E // C#m // Amaj7 | A

I wanna flow
Down the mountainside
Like tears that God cried
I wanna go
Way up in the sky
Among the clouds I would lie
My afterglow

BRIDGE

F#m | Bm | D | A

They say that to feel the warmth of sunrise
You need to feel a little cold
I knew that wasn't cool what you did to me
But I will forgive you evermore

CHORUS

E // C#m // Amaj7 | A

I wanna flow
Down the mountainside
Like tears that God cried
I wanna go
Way up in the sky
Among the clouds I would lie
My afterglow
