

Such a Good Girl

Ripping, smashing, tearing, lashing, clutching, raging, wait!
Why am I such a good girl?

Writhing, aching, groping, taking, moaning, taunting, wait!
Why am I such a good girl?

Chorus:

I don't want to do violence to anyone,
Just rip those pat assumptions from your eyes,
We're pulsing and raging like anyone,
Our skin is a paltry disguise,
Why am I such a good girl?
Such a good girl?

Clawing, throwing, daring, owning, warping, scorning, wait!
Why am I such a good girl?

Flexing, teeming, burning, seething, splitting, breaking, wait?
Why am I such a good girl?

Ooh, ooh, ooh, ooh, ooh, ooh, ooh ooh,

Chorus:

I don't want to do violence to anyone,
Just rip those pat assumptions from your eyes,
We're howling and raging like anyone,
Our skin is a paltry disguise,
Why am I such a good girl?
Such a good girl?

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh,
Ooh, ooh, ooh, ooh, wait!

Chorus:

I don't want to do violence to anyone,
Just rip those pat assumptions from your eyes,
We're urging and taking like anyone,
This pulse is what keeps us alive,
Why am I such a good girl?

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh,
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
