INTRO (3/4 w/ 4/4 melody)

F | Am | Dm | Bb | C

VERSE 1 (7/4)

Am7 C Dm E
We came together like jacks and kings
Hands dealt not random as that
Win or lose didn't really matter
Provided the deck wasn't stacked

CHORUS 1 (3/4 w/ 4/4 melody)

F | Am | Dm | Bb | C
I feel the vice grip from the inside
And the rack stretches me out

VERSE 2 (7/4)

I played the only hand I could
Trusting in fair play from the start
Played along when you bent the rules
Never saw the ace tucked up your sleeve

CHORUS 2 (3/4 w/ 4/4 melody)

I feel the vice grip from the inside
And the rack stretches me out
As you tighten the vice grip
The rack pulls me along

BRIDGE (5/4)

F G
Now your hand's revealed
Tear down your house of cards
Now it's only your game
F G A
In your vice and rack

CHORUS 3 (3/4 w/ 4/4 melody)

(A)
Rack
A | C#m | F#m | D | E
You'll feel the vice grip from the outside
Feel the rack pull out the truth
When you loosen the vice grip
I'll relax and find my refuge
