

Wrong Lyrics

1. Wrong

That sting of rain
Every sunny day, I can take it
Dry my face
In the morning and just embrace it

I'm so tired of lying,
tired of hiding tears behind my eyes

I can't help the way I feel this time
Wrong just feels so right
And I don't feel inspired to come into the light, yeah
I don't want an answer, I don't need to fight
the way I feel this time
Wrong just feel so right, yeah
Wrong just feels so right

It's their mistake,
let 'em say I'm a soul to save
I'll keep my pain, thanks,
I'm ready to bear its weight

Because I've given up tryin'
to see a silver lining in my washed out sky

And I can't help the way I feel this time
Wrong just feels so right
And I don't feel inspired to come into the light, yeah
I don't want an answer, I don't need to fight
the way I feel this time
Wrong just feel so right, yeah
Wrong just feels so right, yeah
Wrong just feels so right

No more waning fake smiles, no more keepin' it all in
Just to drown in the dawn, playing girl optimist
Oh no more saying I'm fine, no more lying by omission
no, I've got to be real, so someone knows I exist

I can't help the way I feel this time
Wrong just feels so right

And I don't feel inspired to come into the light, yeah
I don't want an answer, I don't need to fight
the way I feel this time

can't help the way I feel this time
Wrong just feels so right
And I don't feel inspired to come into the light, yeah
I don't want an answer, I don't need to fight
the way I feel this time

Wrong just feel so right, yeah
Wrong just feels so right, yeah
Wrong just feels so right
Wrong just feels so right
