VERSE 1

Am | G | Gm | F | Fm | C | G | C
We came together like jacks and kings
The deal wasn't random as that
Win or lose didn't really matter
Provided the deck wasn't stacked

CHORUS 1

Cm | G | Bb | F | Ab | Ab#11 | G | G7
I got a bad deal
Deuce and a seven
You dealt me an unfortunate hand

VERSE 2

I played the only cards I could
How could fair play lead to deceit?
You bent the rules, I played along
Never saw the ace tucked up your sleeve

CHORUS 2

Cm | G | Bb | F | Ab | Ab#11 | G | G7
I got a bad deal
Deuce and a seven
You dealt me an unfortunate hand

You're hiding jokers
Cheating me blind
But the house always wins

BRIDGE

C | D7 | F | E
Now reveal your hand
Tear down your house of cards
Now you're gonna lose
Better fold while you can

CHORUS 3

Cm | G | Bb | F | Ab | Ab#11 | G | G7
I got my new cards
From a fresh deck
Putting down only the truth

You'll lose this game now
I'll leave the table
Deal myself back in
