## Verse 1

Dm | C | G | Am

Flickering candle  
The scent of incense burning  
Silk rustles in hand

Light cascades away  
Good wanderers leave no trace  
Tranquility then

## Refrain

F | C | G | C

Silence, absence, stillness

## Verse 2

Oil, gas, filament  
Burn away every shadow  
Grow ever brighter

Low humming engine  
Eyes that gaze out the window  
Pause to contemplate

## Refrain

Silence, absence, stillness
