## INTRO

Cm  
Cm | G | Bb | F | Ab | Abm | F | Cm

## VERSE 1

Cm (x4) | Ab (x2) | F (x2)  
We came together like jacks and kings  
Hands dealt not random as that  
Win or lose didn't really matter  
Provided the deck wasn't stacked

## CHORUS 1

Cm | G | Bb (x2) | Ab | Fm | G (x2)  
I feel the vice grip from the inside  
And the rack stretches me out

## INTERLUDE 1

Cm | G | Bb | F

## VERSE 2

I played the only hand I could  
Trusting in fair play from the start  
Played along when you bent the rules  
Never saw the ace tucked up your sleeve

## CHORUS 2

I feel the vice grip from the inside  
And the rack stretches me out

Ab | Cm | Bb | Cm  
As you tighten the vice grip  
The rack pulls me along

## BRIDGE

C | G | Bb | Am | Ab | G | Fm | F  
Now your hand's revealed  
Tear down your house of cards  
Now it's only your game  
In your vice and rack

## SOLO

Cm | G | Bb (x2) | Ab | Fm | G (x2)

## CHORUS 3

You'll feel the vice grip from the outside  
Feel the rack pull out the truth

Ab | Cm | Bb | Gsus4 | Cm | Gsus4 | Cm  
When you loosen the vice grip  
I'll relax and find my refuge
