

# Suspended by Raivo Jackson 3.2.2025 Capo#2

*Intro melody*

*1st verse*

**Am**

**Am/G#**

**C/G**

I'm hovering above the ridge of the roof

**G**

**Dmsus2/F**

**E**

feeling safe and aloof

**C**

**Am**

**E**

Below me a space so immense

**F**

**B**

**E7**

**E**

I could fall into and surrender my defense

*2nd verse*

**Am**

**Am/G#**

**C/G**

I can balance here forever more

**G**

**Dmsus2/F**

**E**

look into space and never touch the floor

**C**

**Am**

**E**

The building's shaking, I'm still mounted here

**F**

**B**

**E7**

**E**

and I'm not afraid though the rim is getting near

*3rd verse*

**Am**

**Am/G#**

**C/G**

I let the howling wind gather steam

**G**

**Dmsus2/F**

**E**

it tugs my leg but I stay serene

**C**

**Am**

**E**

Holding onto things concealed within

**F**

**B**

**E**

above the roof- suspended in my skin

You wouldn't believe what a trip it's been

**Dsus2/F# - Dm6/F - Am/E (Am)**

*Will I fall down, and touch the ground? softly*

I won't fall down, won't touch the ground

I won't come down, won't touch the ground..
