

Lavender Bouquet Lyric Sheet

To see what you see
To know what you know
Would have made my objectives so much clearer
To feel what you feel
To know what was real
I might have made your heart beat faster

Up on the rooftop
Underneath the autumn night sky
How I wished you could feel what I wanted to convey
In the dark we could only see
Half the colours in this lavender bouquet

A teller of tales
A protagonist fails
The anxious heart is much too revealing
An apprehensive soul
Explanations untold
The cautious mind is far too concealing

Up on the rooftop
Underneath the autumn night sky
I couldn't bear to listen to what you had to say
In the dark we could only see
Half the colours in this lavender bouquet

Up on the rooftop
Underneath the autumn night sky
I could only envision half of the array
In the dark we could only see
Half the colours in this lavender bouquet
This lavender bouquet
