

I Can't Help It If I'm Still in Love with You

Song by Hank Williams

Today I passed you on the street and my heart fell at your feet

I can't help it if I'm still in love with you

Somebody else stood by your side and he looked so satisfied

I can't help it if I'm still in love with you

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

Then suddenly I got that old time feeling

I can't help it if I'm still in love with you

It's hard to know another's lips will kiss you

And hold you just the way I used to do

Oh, heaven only knows how much I miss you

I can't help it if I'm still in love with you
