

**I need a man  
In my bed  
Laying here  
Touch me there**

**I need a man  
Hold me tight  
Don't let go  
Stay all night  
I need a man  
Talk to me  
Lets be free**

**I need a man  
I need a man  
I need a man  
I need a man  
Oh I need a man**

**I need a man in my bed  
Touch me here  
Hold me there  
I need a man  
To know me right  
hold me tight  
And say good night**

**To know my name**

**To see my face  
To feel my pain**

**I need a man  
I need a man  
I need a man  
I need a man  
Oh I need a man**

**I need a man to rub my back  
right by my side  
both day and night  
Roll once roll twice  
I hold the dice  
-Guitar-  
I need a man  
I need a man  
I need a man  
I need a man  
Oh I need a man**

**Oh I need a  
Oh I need a  
Oh I need a**

**Hang your coat  
Take off your shoes  
Here's a glass of wine**

**Stay a little while  
Cause tonight  
I need a man  
In my bed  
Laying here**

**Just stay here  
Touch me there  
Stay all night  
Hold me tight  
I need a man  
I need a man  
Ooooh I need a man  
Hhmmmmm  
Hhhmmmmm....**
