

## Freedom Song by Jason Mraz

Written by Luc Reynaud

### [Verse 1]

Bm7 C#m7  
I picture something, it's beautiful  
Bm7 C#m7  
It's full of life, and it is all blue  
Bm7 C#m7  
I see a sunset on the beach, yeah  
Bm7  
It makes me feel calm  
C#m7 F#m  
When I'm calm, I feel good  
C#m7 Bm7  
And when I feel good, I sing  
C#m7 F#m  
And the joy it brings makes me feel good  
C#m7 Bm7  
And when I feel good, I sing  
C#m7  
And the joy it brings

### [Verse 2]

Bm7 C#m7  
I see birds fly across the sky  
Bm7 C#m7  
Everyone's heart flies to get there  
Bm7 C#m7  
Food is frying and people's smiling  
Bm7 C#m7 F#m  
Like there is no other way to feel good  
C#m7 Bm7  
And when I feel good, I sing  
C#m7 F#m  
And the joy it brings makes me feel good  
  
C#m7 Bm7  
And when I feel good, I sing  
C#m7  
And the joy it brings

### [Chorus]

F#m  
Come on along  
C#m7  
I know you really wanna feel our song  
Bm7  
We've got some light to bring  
C#m7  
We've got some joy in this thing  
(x2)

### [Outro]

F#m C#m7  
Freedom  
Bm7  
Got to give you some of that freedom  
C#m7  
It's freedom  
F#m C#m7  
Freedom  
Bm7 C#m7  
It gets over you, over you, over you, over you  
F#m C#m7  
Freedom  
Bm7  
Got to give you some of that freedom  
C#m7  
It's a smile you can get when your heart beat  
F#m  
Yeah.....
