

The Other Side

Lyrics & Music by P. Emery

Broken hearts and winding roads
and all the places we could go
You led me to that solid ground.
And picked me up when I was down.

AND WHEN LUCK WOULD FALL AWAY
AND IT WAS ALL TOO MUCH TO TAKE
YOU'D JUST LAUGH AND SAY YOU'D
MEET ME ON THE OTHER SIDE.

You always seemed to always know
How the plot could ever go
With every battle lost and won
And days of rambling, food and fun

AND WHEN LOVE WOULD FALL AWAY
AND IT WAS ALL TOO MUCH TO TAKE
YOU'D JUST LAUGH AND SAY YOU'D
MEET ME ON THE OTHER SIDE.

Never got to say goodbye.
to tell you all the reasons why
You always were my solid ground.
And pulled me up when I was down.

BUT FATE MUST HAVE HIS PAY
PULLED ME SO FAR, SO FAR AWAY
BUT, SINCE YOU'VE GONE AHEAD, I'LL
MEET YOU ON THE OTHER SIDE.
